- (a) The equivalent level of difficulty of the piece may be at a higher level, providing it is within the technical and musical grasp of the candidate.
- (b) Candidates with exceptional talent for improvisation may wish to improvise upon a theme of their choice.

In this case, items (a) and (b) (above) will apply. Marks will be given for originality, musical inventiveness, and compositional/structural unity.

Special approval is not required for the supplementary piece. However, poor suitability of the choice may be reflected in the mark.
